Foreword

The major objectives of our school are to impart knowledge and to build character. The theme of the 1958 Wescomb is "Trees." Like great trees, we hope that our students have developed strong branches of knowledge and deep roots of character, and that the reflection of their training at West Edgecombe will enable them to maintain their place in the sun and grow ever nearer to the land beyond the sky.

Our Dedications

We, the Seniors of 1958, dedicate our WESCOMB to our principal, Mr. Cashwell, for his unselfish attitude and his willingness to help us with all our problems in our years at West Edgecombe.

We also dedicate the WESCOMB to our teacher and advisor, Miss Hurdle, for her personal interest in our welfare and progress, her love, patience, and counseling at all times.

We, the Seniors, dedicate our WESCOMB to our teacher and sponsor, Miss Mitchell, for her unlimited service, keen interest, and helpful guidance in our high school years.

We, the Class of 1958, also dedicate the WESCOMB to our coach and friend, Mr. Byrum, for his tolerance, unselfish attitude, and understanding in our daily lives.

Administration

Just as nature causes the trees to blossom, grow, and bring forth fruit, so does the administration strive to guide the "trees" of our school.

Our School —

West Edgecombe

West Edgecombe established her roots in 1922 with a one-story building containing an auditorium, used also as a gymnasium, and six classrooms to accommodate the high school students from townships 11, 13, and 14. Today, the home economics department, the lunchroom, and the three eighth grades are located in this building.

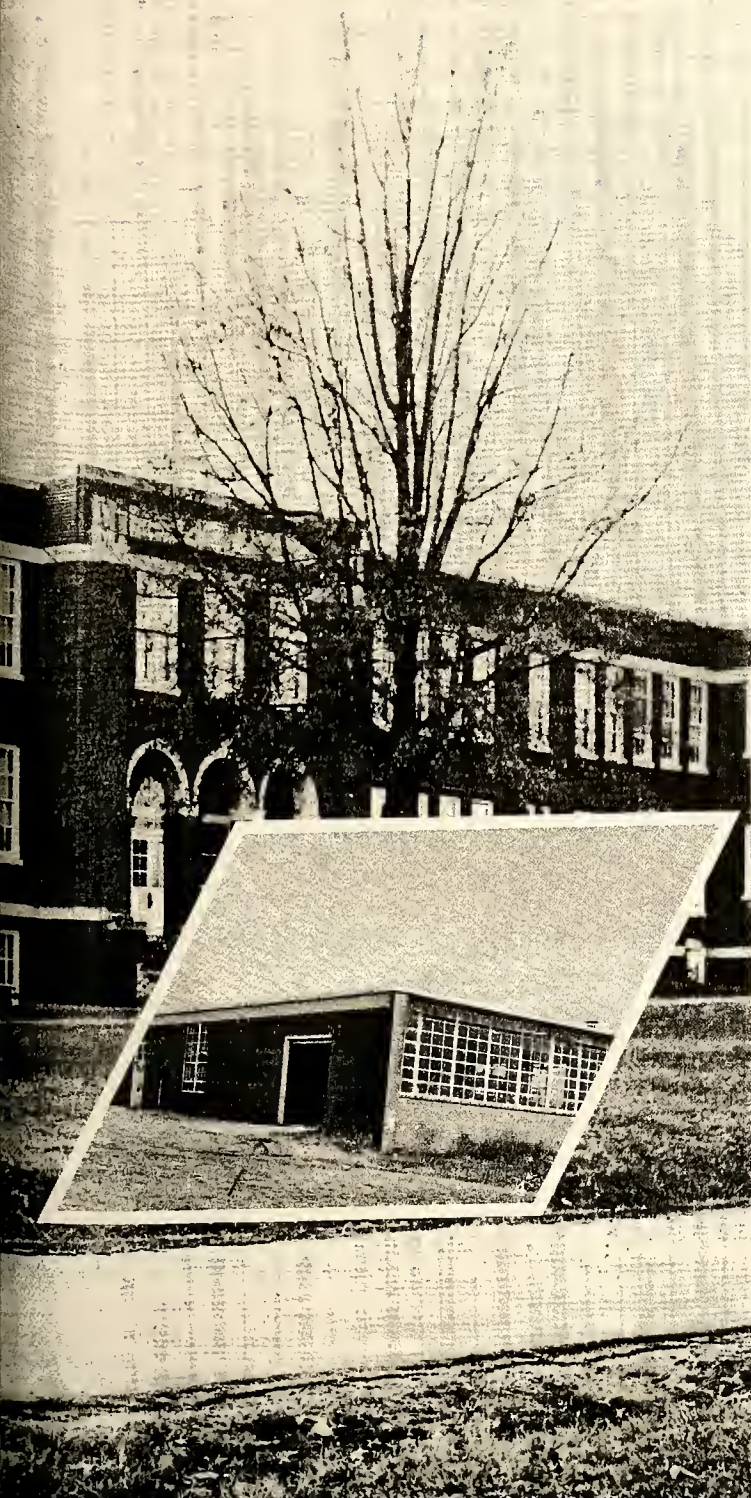

The present principal's home was used as an agricultural building until 1928, and then the agricultural department was moved to the present location of the eighth grade rooms where it remained there until 1954 when the new vocational building was erected.

Consolidation of schools in the townships caused our tree to grow new branches in 1928 when our present main building was established for the benefit of the children from Dixie, Pleasant Hill, Powells, Oakdale, Nobles Mill, Progress, Oak Grove, and Juvenile Schools. Two additional classrooms were added in 1938. This building now contains facilities for both the grammar and high school grades. The primary building was built in 1951 to relieve the crowded conditions.

Athletics became a vital part of the school curriculum and a gymnasium was built in 1951 for the physical education program.

Our West Edgecombe has grown from 193 to 1,150 students directed by 41 faculty members. Plans are underway for an additional building program in the future.

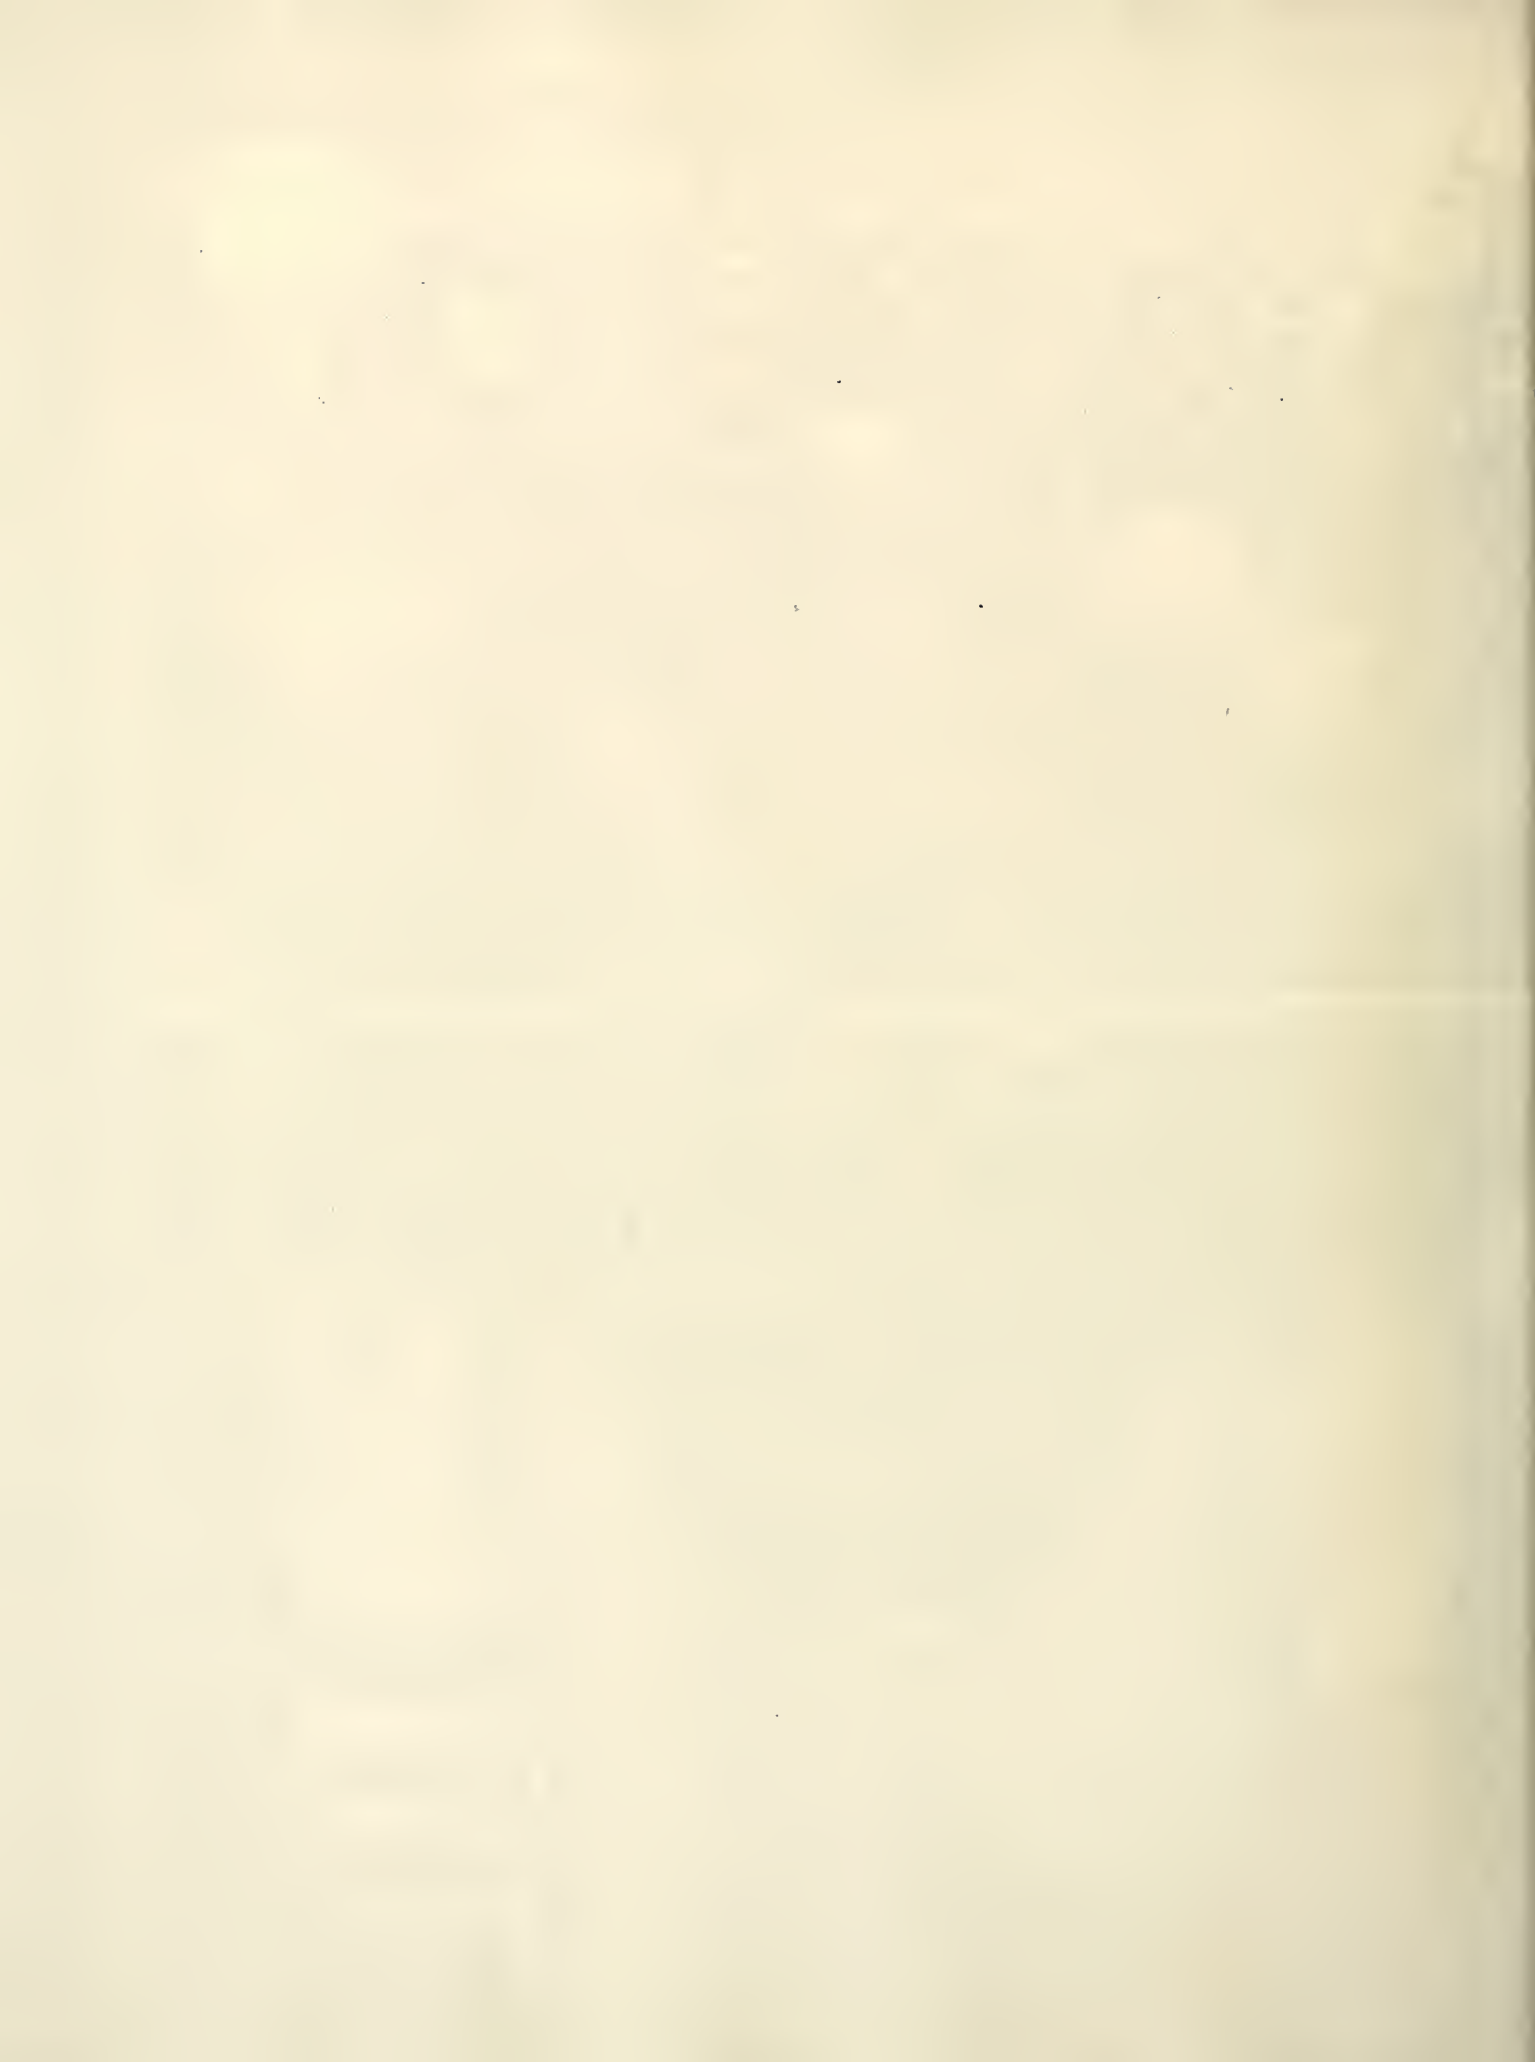

- 1 - Lunchroom, Eighth Grades, and Home Economics Department.
- 2 - Gymnasium.
- 3 - Primary Department.
- 4 - Agriculture Department.
- 5 - Grammar Grades and High School.

MOTTO

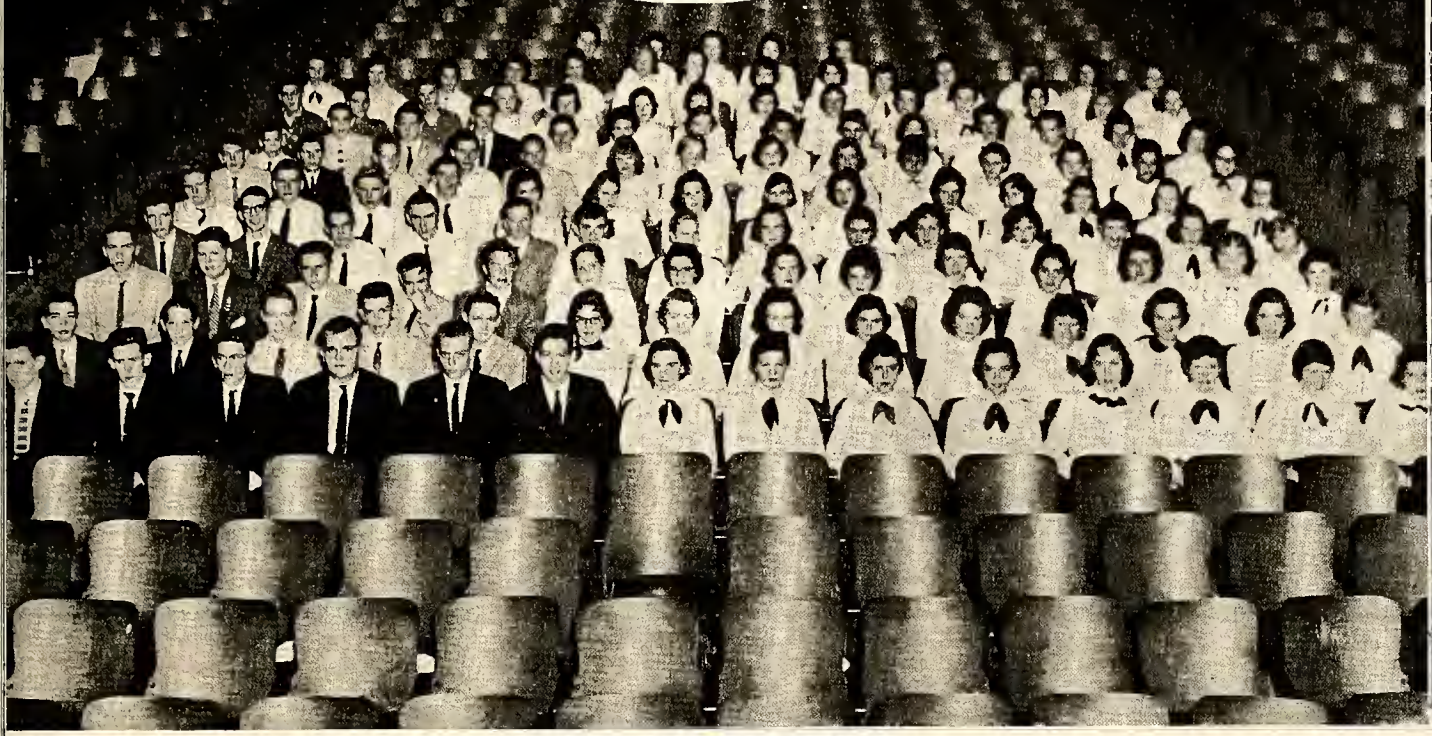

To Make The Best Better

The five 4-H Clubs of our school have striven earnestly to "make the best better." Some of the clubs have worked as a unit in many projects while other clubs sponsored individual projects. The four leaf clover symbolizes the work a person can accomplish in putting his talents, head, heart, hands and health, together.

It Takes a Lot of Hard Work to Make an Annual

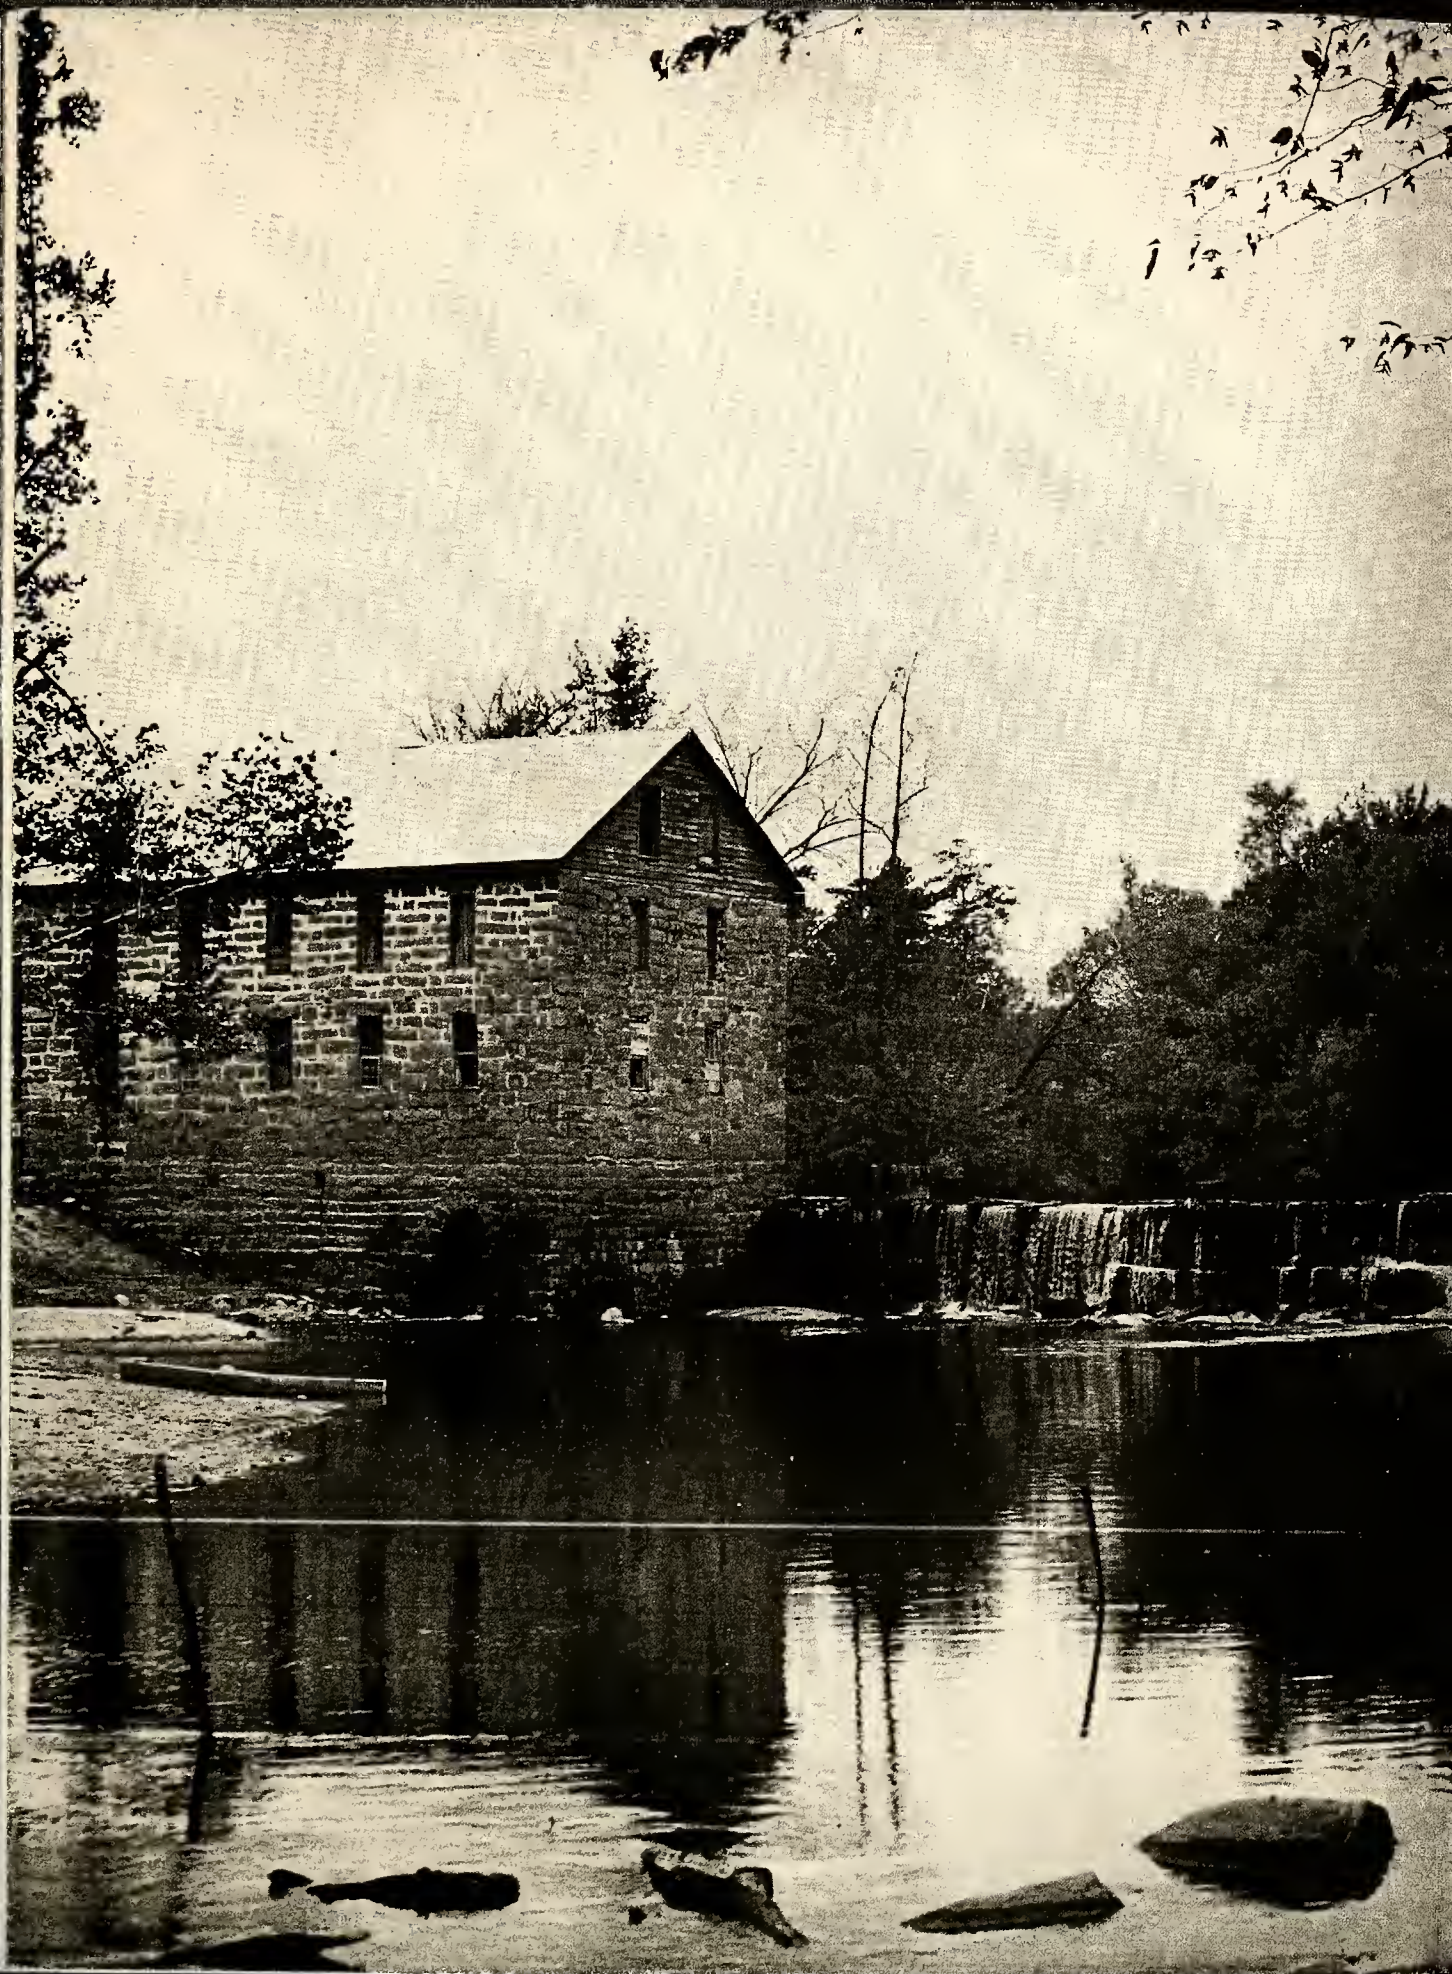

The annual is completed. As I think over the many hours of hard work, I see the members of my reliable staff working attentively. Without the assistance of these, there could not be a 1958 WESCOMB. Our most capable annual advisor, Miss Hurdle, has stood by us through the toughest spots. All the teachers, Mr. Cashwell, and our advertisers have cooperated with us to the fullest degree. For this help, we express gratitude. I wish to leave with you an humble, but sincere thank-you.
